For deals of 1 to 3 years commission is calculated on the following guidelines:

- 5% on the first year's basic rental (or part thereof)
- 5% on the second year's basic rental
- 2.5% on the third year's basic rental
- If an Agreement of Lease has a term of more than three (3) years, we reserve the right to negotiate the commission depending on variables relating to each transaction.
- If an Agreement of Lease contains a 'get-out' clause, commission will be payable for the duration of lease up to the get out clause, the balance may be claimed only if the tenant elects to continue with the lease (this clause must be read in conjunction with the aforementioned condition).
- Commission is not payable on renewals, rent free periods, options, additional space leased, space leased in the rest of the FPG portfolio by the Lessee or any sale by the Lessor to the Lessee.
- Should a Broker wish to introduce a single Tenant, or brand, to multiple centres/premises within the FPG Portfolio, commission will only be payable on the first Offer to Lease accepted by the Landlord. No commission will be payable on any subsequent transactions.
- All rentals quoted exclude marketing contribution and rates and taxes.
