FPG PROPERTY FUND VACANCY SCHEDULE

PAYMENT OF COMMISSION

- The Broker must be the "effective cause" of the transaction for commission to become due and payable. To prove that the Broker was the "effective cause" of the transaction, it must be established that the Broker's efforts were the decisive factor that triggered the transaction. The evidence of the Broker's efforts would be an approved offer, and a signed lease obtained by the Broker.
- To the extent that any dispute arises in respect of this Mandate, such dispute will be referred to the Landlord's legal advisor and the legal advisor's decision will be final and binding.
- Commission is payable on basic rental only, subject to the following conditions having been met:
- Lease and other documentation signed by all parties
- Deposits, bank guarantees, lease fees and 1st month's rental paid
- All lease suspensive conditions have been fulfilled
- All FICA documentation received

- 5% on the first year's basic rental (or part thereof)
- 5% on the second year's basic rental

- If an Agreement of Lease has a term of more than three (3) years, we reserve the right to negotiate the commission depending on variables relating to each transaction.
